

Catch the Theatre Bug!

Message from the Artistic Director

We have an exciting fall line up of classes at Paradise Studio! Our qualified staff have many years of experience working with students of all ages. We provide a supportive fun environment where students can be creative, expressive and improve their skills in acting, dance and voice. We feel the process of learning and striving for individual excellence is important in developing self-esteem and self confidence. Whether you are seasoned performer or just starting out, we have place for you! (We may be re-locating mid year.)
